“AWIERGAN SCROLLS” QUEST

First Aspect

The Wounded Coast, head south from the entrance to the first dead end path on the left. The Scroll is next to a corpse found at the end. Your journal will update telling you that a new "Hidden Lair" has opened, but the location is out in the open, just past the branch leading down to the peninsula ruins.

Third Aspect

(*this can bug – just come back later and pick it up again*)

Actually found before the 2nd. Located in Sundermount Outside before reaching the Dalish Camp. After getting the scroll, go up the path up the mountain. There should be an Arcane Horror waiting for you.

Second Aspect

In Sundermount Outside, found in the area where you fought the “Third” Arcane Horror, behind one of the walls at the ruins. Your journal will update telling you a new "Hidden Lair" has opened, but it's outside. Go through the Passage and past the Mountain Graveyard. Partway up you'll fight three daemons and their entourage.

Pride Unbound

After all three other encounters are cleared. Near Ander's Clinic, it's the same door used for the Quest "Birthright" in Act I. Inside the lair, you will encounter a Pride Demon named Hubris. Kill it and its minions
